

Downlight Cutters & Dust Bowls

**No more
falling
debris &
dust**

Continuous Tungsten Carbide Grit Edge Downlight Cutters cut through Plaster, Plasterboard, Fibre Cement Sheet and Ceiling Tiles.

Flexible Polymer Dust Bowl with heavy duty brass eyelet captures dust and debris when cutting overhead holes.

Works with all size hole saws and drill bits too!

Downlight Cutters available in 72mm, 75mm, 89mm, 92mm and 95mm

As with all Bordo products our Downlight Cutters and Dust Bowl reflect our promise of Quality without Compromise and add to one of the most complete power tool accessory ranges in Australia.
